Hi Lou,

I am sending you the attached Jeanette Reyes/Paul Price SOT poster as an FYI. Jeanette's poster is a NERL product to HHRA.

Please let me know if you have any questions.

Thanks!

Andrew

Andrew,

I am presenting a poster at SOT next week. My coauthor Paul Price in NERL submitted and cleared it through his side. However, Annette suggested that I also bring the poster to the attention of the NCEA side so as to ensure that all parties are aware of the work. Please find the attached poster.

Best,

Jeanette

Paul: Thanks for letting me know. As we discussed, I will clear the poster later today with the assumptions that you will edit as we discussed.

Jeanette: Suggest that you afford your management an opportunity to review the poster even though they are aware of the study. Thanks.

All best, Annette.

Annette:

In our last call I forgot to mention that the finding from the poster have been shared with the entire NCEA staff. Jeanette made a presentation to NCEA management late last year that included the key findings of this poster. So this poster will not be a surprise to HHRA/NCEA.

Annette:

The poster on phthalates the Jeanette Reyes will be giving in SOT will be forward to you for 2ed level clearance ORD-024965. If you could quickly review I would appreciate it. We are running close to the deadline for getting the poster printed in time for SOT.

Thanks in advance

Paul
